

6 DAY SAMPLE TRIP

# Singapore Stem

## Day 1 : Singapore

Upon arrival in Singapore, our English speaking guide will be there to welcome and assist the group and prior to the transfer and check-in at the hotel, the group will head on a tour of **Jewel Changi Airport** first. Your guide will introduce you to the fascinating sights of the airport, including the **Crystal Clouds**, **HSBC Rain Vortex** and **Shiseido Forest Valley** along with a visit to the **Changi Experience Studio**. A state of the art digital experience. With a collection of over 20 different touchpoints and ten zones, the Changi Experience Studio utilises technology to present a diverse mix of unique experiences under one roof, including interactive games, projection storytelling, immersive shows and gallery exhibits.

## Day 2 : Singapore

This morning is our first visit to the **Singapore City Gallery** situated at the **Urban Redevelopment Authority**. Uncover the story behind Singapore's remarkable transformation into one of the most liveable cities in Asia. Discover how, through strategic long-term planning, we guide Singapore's physical development in a sustainable manner to achieve a quality living environment for its citizens. After, we proceed to the **Marina Barrage**. Built across the mouth of the marina channel, the Marina Barrage creates Singapore's 15th reservoir and the first in the heart of the city. With a catchment area of 10,000 hectares, the Marina catchment is the island's largest and most urbanised catchment. Included is a guided educational tour of the **Sustainable Singapore Gallery**, **Green Roof**, **Solar Panels** and the Marina Barrage. On our final visit, we proceed to the **Gardens by the Bay** which provides students with an opportunity to experience the development of modern Singapore. Set on 54 hectares the complex consists of two climate conservatories. Appreciate the unique technologies for long term conservation and sustainability. Students will enjoy the **Supertree Grove** and two **Conservatories** along with witnessing the evening **Garden Rhapsody light and sound show**.

### Day 3 : Singapore

Today we proceed to the **Singapore Science Centre**. The Science Centre offers a wide range of science enrichment programmes. Be it a workshop in one of the specialised teaching labs or an engaging problem-based exploration of an exhibition gallery, the programs aim to support students with hands-on and inspiring learning experiences. Their many interactive exhibits, housed in 14 galleries, cover a wide range of topics related to science, technology and mathematics. Their many interactive exhibits, housed in 14 galleries, cover a wide range of topics related to science, technology and mathematics. The students will also participate in two **STEM** workshops.

We then proceed to the **Night Safari Zoo**. The world's first wildlife park built for visits at night, the night safari is not like any ordinary zoo. Nestled in 40 hectares of lush secondary forest, the Night Safari offers the unique experience of exploring wildlife in a tropical jungle at night. Enjoy an exciting **Expedition Tram** which travels deep into the domain of the world's most fascinating nocturnal animals.

### Day 4 : Singapore

Today we commence our first tour at the **Singapore Maritime Gallery**. Discover the Singapore Maritime story as you journey through the experiential zones and learn how Singapore transformed into one of the world's leading international maritime centres and one of the world's busiest ports.

Next, we visit the **Art Science Museum** and discover creativity at its best through art, science, design, media, architecture and technology. Visit the headline exhibition **Future World, Where Art Meets Science**. We then experience the **VR Gallery** Experience. Dive into a whole new Virtual Reality world and beyond in our VR Gallery, a permanent gallery space that celebrates curiosity, innovation and experimentation through cutting-edge virtual reality artworks.

We then proceed to the **Marina Bay Sands** and the **Skypark Observation Deck** soaring 57 levels above the city, this scenic view of Singapore's world-class cityscape is uniquely breath taking.

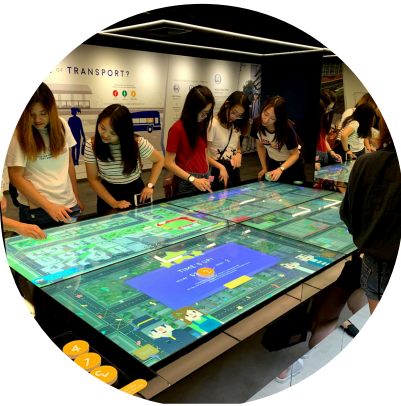

## Day 5 : Singapore

Today we will be visiting **One-North, the Silicon Valley of Singapore**. On this tour, the students will begin the day with an introduction to one-north and an exclusive visit to the one-north gallery to learn about the conceptualisation of this R&D / Business Park and its development. They will then be taken to a guided exploration of JTC LaunchPad, a nurturing ecosystem designed specifically to encourage the growth of start-ups and industry enablers. Housing more than 250 start-ups, 30 incubators, accelerators and venture capitalists, this space is a thriving entrepreneurial haven.

We then proceed to the **Singapore Mobility Gallery** which features seven exhibition zones that showcase various facets of Singapore's comprehensive land transport system. The Gallery gives a behind-the-scenes look at how the **Land Transport Authority** plans, designs and builds Singapore's transport system while balancing efficiency, liveability and inclusivity as it leverages technology for smarter urban mobility. The gallery makes use of technology to create a rich and immersive learning experience for students. Our final visit is to the **China Town Night Markets** where we test our bargaining skills and get a chance to sample the various Singapore cuisines of offer.

## Day 6 : Singapore

We check-out of the hotel and transfer to **Changi International Airport**.
